

REAL DEAL FOOTBALL™ CARD DEALING GUIDE

Players	WILD cards to add	Cards per Player
4	0	12
5	2	10
6	0	8
7	1	7
8	0	6
9	6	6
10	2	5
11	7	5
12	0	4
13	4	4
14	8	4
15	12	4
16	0	3
17	3	3
18	6	3
19	9	3
20	12	3

Use the chart above to determine how many Wild Cards to add to the deck so that each player receives the same number of cards.

The number of Wild Cards in a game will change based on the number of players participating.

For example, if you have 4 players, you do not add any Wild Cards. Each player will receive 12 cards. If you have 10 players, add 2 Wild Cards to the deck, and each player will receive 5 cards.
